Agenda topics

60 MINUTES **DONORSCHOOSE** JOEL CRAVEN

DISCUSSION	See attached notes. Teachers typically spend $40/month on their classroom. Donors choose is a great place to have those projects funded. It is important to keep a list of all corporations and individuals who donate; they are likely to donate again. When pursuing new donors, especially corporations ask for Donors Choose gift cards so corporations don't have to view all projects and select project themselves. Knocking on doors and emailing big corporations is a way to find new donors. Find out who the person is at the corporation who is in charge of charitable giving and speak with them or email them directly. Make sure the PTO has a clear and concise mission statement on their Giving Page.
